

Communications Field Day 2017

Irvine Disaster Emergency Communications (IDEC) is participating in the American Radio Relay League 2017 Field Day event on Saturday, June 24, 2017. Field Day is an opportunity to see amateur radio in action and even have the chance to speak with ham radio operators around the world.

This free event is open to the public from 12 – 5 p.m. During the event, members of IDEC will also provide:

- Emergency preparedness demonstrations from 1 – 4 p.m.
- Tours of the IDEC and City of Irvine communications vehicles
- And information about radio volunteer opportunities in Irvine
